Recently a group of parents began the process of forming a formal committee to continue the goal of keeping the pool at the G.R. Austin Intermediate School open indefinitely. The group is called **Friends of FLAP** (Freetown Lakeville Aquatics Program) and has been meeting over the past several months developing plans for fundraisers, etc.

Please join this group in its effort to keep the pool open as it is a vital part of this community!

Fundraisers will keep the pool afloat, however, also needed are **VOLUNTEERS!**

## Thank you!

. Thank you also to all who attended!

#### General Volunteers...

Willing volunteers to sign up to help in different areas as fundraising events are developed.

Please sign up to be on the volunteer list (your donated time or effort can be baking or supplying a food donation, helping set up for an event, helping to run the event, clean up, contacting volunteers, or helping to advertise). If you sign up, you will be contacted for each event. But please rest assured that just because you add your name to this list does not mean it is expected that you have to participate in every event. Step up when you can.

Thank you to the volunteers for our 2nd FLAP dance held on July 25th at Ted Williams. Despite the power loss, everyone had fun!

Please watch for future dance information. Our dances are a fun, safe way for the pre-teens to socialize!
